Sixth Form Awards,
Scholarships & Bursaries

Academic Awards

Academic Scholarships attract a maximum of 10% fee remission of a day or boarding place. 10% fee remission is the maximum total amount that any candidate can hold as a scholarship even if more than one scholarship is held. A number of lesser value Exhibitions may also be awarded.

Requirements for Sixth Form Applicants

We request a confidential reference from the child's present school which we use together with interviews and predicted GCSE results to decide whether or we can offer your child a place. Offers at Mill Hill are conditional on achieving a minimum of 2 A grade and 3 grade passes at GCSE (or international equivalent). In addition, each AS subject has its own specific GCSE grade requirements; these are set out in the Sixth Form Curriculum Guide.

Requirements for Academic Awards

Candidates are required to sit Scholarship Examinations in their choice of two of the subjects they intend to take at A level at Mill Hill and these are followed by an interview round for those who have performed sufficiently strongly in the Scholarship Examinations.

Candidates who choose History as one of their two subjects may be considered for a Winfrey History Award. (There is not a separate examination for this Award).

Candidates for Art are expected to produce a mixed media portfolio which would be presented and discussed at interview with the Head of Art.

Candidates for Music sit a written exam and are auditioned by the Director of Music. They are expected to be Grade 8 standard in one musical instrument or voice and Grade 5 standard in a second musical instrument or voice.

Candidates for Drama sit a written paper and are auditioned by the Head of Drama.

Sports Award candidates will be expected to be performing at district or county level, or above, in their chosen sport. Awards are made only for sports which form part of the School games programme. Candidates must provide a sports C.V. and it is likely that they would be assessed by a member of the PE and Games Department.

The syllabus for the Scholarship Examinations will not be more than the proportion of the GCSE syllabus which could reasonably be expected to have been covered by the time of the examinations.

Bursaries

Means-tested bursaries are available to new entrants to the School. Such awards are intended to extend the benefits of a Mill Hill education to pupils whose families would not otherwise be able to afford the School's fees. In addition, the School makes provision for the award of hardship bursaries to assist families who experience sudden and unexpected hardship. Bursaries are funded from the School's fee income, supplemented by contributions to the Mill Hill School Foundation Appeal. Bursary awards are made by the Court of Governors upon the recommendation of the Foundation Bursary Committee. Candidates will be expected to demonstrate sound academic potential, strong extra-curricular interests and strong personal qualities.

Families wishing to apply for financial support are encouraged to request a Bursary Application Form and a copy of the School's Bursary Policy, both of which are available from Mrs Tracy Williams at Walker House or twilliams@mhsfoundation.org.uk.

External Trust Funds

There are a number of Awards funded by external Trust Funds; the Headmaster nominates candidates for these on the basis of the School's normal interviews and Entrance Examinations and any other information, as available and appropriate. McClure/Life Governors' Scholarship at the Headmaster's discretion; no special conditions. Ousey Scholarship: a candidate must be a lineal descendant of a former pupil of the School.
