Autumn Term Activities - New Additions w/c 5 October 2020

As well as the Sport and Music Activities publicised on Socs, there are additional and new Activities gradually being introduced to the programme on a weekly basis. Please find below details of activities for **week commencing 5 October**. The Socs on-line sign up window continues to be open for sign up. Any queries, please speak with Miss Ward, Activities Coordinator or e-mail sarah@millhill.org.uk or speak with the member of staff in charge.

Tuesday

Name of Activity: Debating

Staff I/C: ADB

Day and Time: Tuesday 16:45 – 18:00

Location/Meeting point: RS3

Who is it for? Fifth Form

Are you missing the intellectual cut and thrust of a good debate? Well debating is back, if you are in the Fifth Form, so come along on a Tuesday after school to develop those public speaking, listening and critical thinking skills. Come and not only have your say about all different topics but also have a go at explaining why everyone who disagrees with you is wrong!

Wednesday

Name of Activity: Geography Society (Lower Sixth)

Staff I/C: WJN

Day and Time: Wednesday 13:00 - 13:30

Location/Meeting point: G2

Who is it for? Lower Sixth

We will be exploring current global issues, geographic literature and trying some university level Geography.

Name of Activity: Origami

Staff I/C: GEW

Day and Time: Wednesday 13:00 – 13:30

Location/Meeting point: M3

Who is it for? Fourth Form

For beginners to expert level. Come and learn how to fold origami. You will learn how to read folding instructions and folding techniques. From there on, you can go wherever your imagination takes you. Fold single figures, like cranes or dragons, or start folding building blocks for modular origami and create stars and more. As legend goes, folding one thousand paper cranes will grant you a wish.

Thursday

Name of Activity: Coding Club

Staff I/C: RS

Day and Time: Thursday 13:00 – 13:30

Location/Meeting point: ICT1

Who is it for? Remove (Max of 12 pupils)

In Coding Club, we will be tackling interesting projects and solving problems using Python. Some experience in coding is preferred but not required. This is a perfect opportunity for those taking Computer Science or ICT to extend their skills and get a head start in coding."

Friday

Name of Activity: Study Skills and Exam Techniques for Business

Staff I/C: PSH

Day and Time: Friday 12:45 – 13:30

Location/Meeting point: B1

Who is it for? Upper Sixth

Preparation for public examinations

In Coding Club, we will be tackling interesting projects and solving problems using Python. Some experience in coding is preferred but not required. This is a perfect opportunity for those taking Computer Science or ICT to extend their skills and get a head start in coding."
