Any drivers who make such a disclosure will not be permitted to drive the coaches.

- Coaches will be deep cleaned daily and the hard surfaces/contact points will be disinfected after each journey.
- Parents and pupils must inform the School if they or anyone in their household shows symptoms of high temperature, above 37.8, persistent new cough and loss of taste and smell.

Introduction

Welcome to the coach community. We are pleased that you are committing to a more environmentally sustainable mode of transport.

We want all passengers to stay safe and to travel in comfort. To ensure all operators and users of the coach service are aware of their responsibilities we ask that you read and agree to be bound by the code of conduct before signing up to the service.

Whilst the majority of passengers behave in a responsible manner there can be times when the standard of behaviour falls short of the school's high expectations. The code of conduct exists to ensure all users of the service are aware of the school's expectations of operators, parents and passengers.

Poor behaviour, in particular that which puts others at risk, may lead to a pupil being banned from using the coach service leaving responsibility for transporting your child to school with you.

We transport over 250 children on 6 different routes and cannot do so safely without the commitment of all who use the service.

Thank you for taking the time to go through this information with your child. Together we can ensure they remain safe while travelling to and from Mill Hill.

Advice to and responsibilities of parents

- **Ensure your child arrives at the stop safely and at least 5 minutes before the published departure times.**
- Familiarise yourself with the afternoon departure times and locations as these differ at 16:00, 16:40 & 18:00.
- Park considerately at pick up points ensuring access for the coach and local residents.
- Ensure Belmont children are not left unattended and are always collected from coach stops.
- Discuss with each Belmont child that they must not leave the safety of the coach if you are not there to collect them.
- Unaccompanied children in Year 7 & 8 (whose parents have previously informed the School that they authorize their child to travel home unaccompanied) should be taught the safest route between home and the coach stop and the safest crossing points on their route. Impress upon them the dangers of being distracted by electronic devices.
- Insist that your child always wears their seatbelt while on the coach.
- Teach your child to think about their and others' safety whilst being driven and the consequences of distracting the driver with poor behaviour.
- Discuss what your child should do if the coach does not arrive within 20 minutes of the published departure time.
- Teach your child the importance of waiting for the coach in an orderly, courteous and calm manner.
- Ensure your child knows not to exit a coach in an area unknown to them. If your child leaves the coach unsure of where they are, neither the driver nor operator is responsible for your child. Please note a driver cannot hold a pupil on board if they insist on disembarking.
- If your child behaves anti-socially or causes damage on a coach they risk being banned from using the coach service. Parents will also be liable to pay for the cost of repairs/replacement of property damaged as a result of their child's actions. If your child is banned from the coach service you are responsible for ensuring your child continues to attend school.
- Ensure that you and your child have read and comply with the Covid 19 safety obligations set out on Page 1 of this Code.

Please ensure your child has read and understood the Coach Code of Conduct and is aware that school rules apply on the coaches.

Code of Conduct

The life and wellbeing of the school rest upon the principles of honesty, fair-mindedness, mutual goodwill and consideration for others. Any breach of good manners or common sense is a breach of the school rules; this includes any action that may impair the school's good name.

School rules apply at all times.

Full details of Mill Hill School's Expectations and Standards and Belmont's Behaviour Policy can be located on the school's website.

If you feel bullied or have a complaint against the driver this must be reported to your Tutor, and you must also tell your parents.

You have a responsibility to behave well, to uphold the good name of The Mill Hill School Foundation and never to act in a manner that may compromise the safety of yourself or others.

At all times you are ambassadors for the school and must therefore behave appropriately when travelling to and from school.
