Mill Hill offers a broad education where academic excellence is complemented by cultural, sporting and social development. We offer GCSE and A Level courses and have an international reputation for excellence.

Our pupils progress to a wide range of courses in prestigious UK and overseas universities, including Oxford and Cambridge. We are privileged to have a school set in 150 acres of the most beautiful parkland setting, quite unique in London. The teaching facilities at Mill Hill are also of the highest order where traditional buildings are mixed with modern additions.

## Mill Hill International

Mill Hill International is located within its own newly refurbished part of the campus. Whilst focusing on academic development, we make sure that each pupil can exploit their talents so that their stay is both enriching and rewarding. Pupils come to Mill Hill International from a wide variety of cultural backgrounds, but they all share our commitment to study, a strong sense of purpose, and high expectations, creating a dynamic learning environment where every pupil can achieve.

Mill Hill International offers a broad range of academic programmes for Day and Boarding pupils aged between 13 and 17, lasting from one term to three years. Boarding pupils of both Mill Hill International and Mill Hill School reside in the same four boarding houses and enjoy greater integration through their activities, excursions and more. Sports teams are represented by pupils from both schools as are the drama and music productions.
