Grimsdell

Mill Hill Nursery and Pre Prep School | For pupils aged 3 to 7
Above all we value kindness, and expect our children to be responsible for their actions and have moral integrity. We:

- treat others as we would like to be treated ourselves
- are honest
- share
- forgive
- are kind and helpful
- are cooperative
- do our best to be our best
- share our worries
- listen to each other

At Grimsdell we develop and celebrate your child’s character and strengths. Childhood is a special time of wonder and joy and our curriculum offers your child exciting and interactive ways to explore, enquire and discover. Your child will be immersed in deep, meaningful learning experiences that will both inspire and motivate them.

We aim to equip children with the adaptable tools and skills they will need for 21st-century life, and as a result Grimsdell children thrive in all kinds of situations and tackle challenges with a sparkle in their eyes. It is a pleasure to know them.

Part of the Mill Hill School Foundation, which is set in over 150 acres and gives pupils a smooth transition to Belmont and Mill Hill Senior School

Welcome
WE WARMLY WELCOME YOU TO GRIMSDELL
PRE-PREPAREDATORY SCHOOL, A HAPPY AND CARING SCHOOL WHERE WE UNDERSTAND YOUR CHILD IS AN INDIVIDUAL.

‘Awarded Excellent in Quality of Education in academic achievement and personal development.’

ISI Inspection 2020
The four schools of the Mill Hill School Foundation are set in over 150 acres of beautiful grounds, with woods, fields and sports pitches as far as the eye can see. Central London is only 10 miles away, but you would never know it.

Our own grounds at Grimsdell include woods for our Forest Schools, a Science Garden, and separate play areas for the youngest children. Our playgrounds are exciting and imaginative, with adventure equipment, areas to tell stories and do crafts, and a stage. You can tell we love to be outdoors!

Outstanding Facilities

The other schools of the Foundation are our neighbours, so our children use Belmont’s grounds and coaches for sport, and Mill Hill School’s swimming pool, athletics fields, and theatre. We also share the Foundation Chapel. At Mill Hill we are very much a family, from the youngest to the oldest.

Pupils have high self-esteem, show mature levels of discipline and are extremely confident.’

Space all around us
Your child will quickly develop excellent social skills and learn to be adaptable and emotionally intelligent. They will make friends with boys and girls and know they are equal.

When young children are encouraged to respect each other and always to see people as individuals, they carry this with them through life. They bring the best out of other people and blossom themselves, because they are ready to seize every opportunity. Our pupils’ willingness to try anything is one of their biggest strengths.

Families at Grimsdell
Children develop best when their teachers and family work together to help them learn and be happy. We will always keep you well informed about your child’s progress, and welcome you into school whenever you want to talk to their teacher. Your involvement in school events, projects, workshops and trips makes them very special for everyone.
Our approach to learning is to harness that energy and enthusiasm so that your child will love coming to school every day.

Creative Curriculum
Combining academic rigour with 21st-century skills. Our creative curriculum provides depth in the coverage of skills in all subject areas, and allows children to recognise the links in their learning. Children are interested, excited and curious to learn and discover.

Our aim is to instil in your child a deep and natural love of learning that will stay with them forever. Our curriculum is rich and diverse and extends well beyond the national curriculum. It is both demanding and exciting, giving your child the chance to excel in so many areas.

The Growth Mindset
We encourage every pupil to embrace challenge and to understand that success comes from hard work and persistence. At Grimsdell, we welcome failure because only by willing to risk failure do we try things we find difficult. We teach this positive mindset actively, so your child will understand how they best learn from a young age.

'Pupils have high levels of creativity and curiosity, strongly enhanced through imaginatively planned activities across the curriculum.'

CAN YOU REMEMBER HOW EXCITING LIFE FELT WHEN YOU WERE AS YOUNG AS YOUR CHILD IS NOW?

Pupils have high levels of creativity and curiosity, strongly enhanced through imaginatively planned activities across the curriculum.'

ISI Inspection 2020
Taking Soft Skills Seriously
The four schools of the Mill Hill School Foundation have a shared approach and a curriculum that runs through from ages 3 to 18. A central element of this is our active teaching of interpersonal skills, emotional intelligence, teamwork and leadership, and your child’s ability to think on their feet and cope under pressure. At Grimsdell, we nurture these skills from early childhood, giving your child the ultimate head start in our ever-changing world.

At Grimsdell we teach our themes across the whole school, each year group tackling it in a different way and developing their skills in core subject areas, such as reading, writing and arithmetic.

We encourage children to question, enquire and problem solve. They work in groups or pairs to discuss, debate and think critically and creatively. They build strong verbal skills so they are keen and able to write about their ideas and thoughts. Practical tasks test their thinking and challenge them to be creative, all the while building their independence and confidence.

'I love the teachers and I am really interested in everything we learn.'

Yr 2 Pupil
Mathematics and IT
Your child will acquire a deep understanding of the number system, and a mastery of concepts. They will learn highly developed problem-solving and application skills so they will be ready to tackle complex mathematical challenges with confidence.

Grimsdell children learn to be creative and active in their approach to IT. We teach it as a discrete subject from the age of three, using programmable toys, multi-media software and resources, and bring it into our themes whenever we can.

English
At Grimsdell, we recognise that the key areas of speaking, listening, reading and writing are fundamental to children’s learning.

We promote high standards of literacy by equipping children with the skills of spoken and written language, whilst developing their love of reading.

Our creative curriculum increases pupil’s interest, involvement and achievement in English by providing children with exciting ‘hands on’ experiences to help stimulate their imagination, express their opinions and write for a variety of different purposes. Children are immersed in literature from a range of genres, both fiction and non-fiction.

Preparing for Belmont
Our curriculum prepares children for the rich, broad and challenging work they will do when they move up to Belmont.

'I really like Maths because it’s a fun thing to do and it gets your brain working.'
- Yr 2 Pupil

'Pupils have strong communication skills and achieve excellent levels of attainment in all areas of literacy.'
- ISI Inspection 2020
WE'RE OUT IN OUR WOODS THROUGHOUT THE YEAR BECAUSE FOREST SCHOOL IS A CORE ELEMENT OF OUR CURRICULUM.

Forest School
The children play hide and seek, build shelters, light fires, cook, make environmental art and do role-play. They learn safely to use tools such as potato peelers, loppers, and bow saws, and about the forest itself, including naming the trees and plants and identifying animal habitats. Forest School is definitely one of our favourite lessons.

More than a Walk in the Woods
Forest School is transformative: not only do the children love it, but they grow visibly more confident as they play and carry out tasks in the outdoors. With each activity they learn to work in teams, to trust each other and to understand risk and responsibility.

They develop fine and gross motor skills, learning to use their bodies carefully and skilfully and to look after themselves and the people around them. As they gain experience and understand the boundaries of behaviour they begin to lead their own activities, and we see them become remarkably resilient and independent.

‘Pupils develop a deep affinity with nature through the Outdoor Education Programme and use of the extensive school grounds.’

ISI Inspection 2020
Powerful Learning
Our classes are small, and a classroom assistant works alongside every teacher, giving your child plenty of support throughout the day.

Because we all learn differently we adapt our approach for each pupil so your child will always be learning in the best way for them.

We give our pupils meaningful feedback so your child will learn to reflect, feel positive about improving, and know what they need to do next.

Our approach means that our pupils are effective, self-motivated learners who share our high expectations and belief in themselves.

Specialist, Dedicated Teachers
The teachers at Grimsdell form a close team of motivated, skilled professionals, who work together to make sure that in every lesson, every day, your child’s learning is of the highest quality.

We have specialist teachers in PE, Sports, Music, Computing, RE, and Forest School, who work with the form tutors to plan, consider how best to support each pupil, and create exciting, inspiring and productive lessons across the curriculum.

POWERSFUL LEARNING
WE GIVE YOUR CHILD INDIVIDUAL ATTENTION. WE UNDERSTAND THEIR STRENGTHS, WEAKNESSES AND ENTHUSIASMS.

‘Pupils have extremely positive attitudes to learning due to the enthusiasm demonstrated by the highly professional staff.’

ISI Inspection 2020
The School Day
Morning Nursery runs from 8.20am to 11.35am. Alternatively, our afternoon Nursery runs from 12.20pm to 3.05pm.

Reception arrive between 8.15am to 8.30am and depart at 3.00pm, with Year 1 and Year 2 arriving between 8.15am to 8.30am and departing at 3.05pm. We have an entire road to park on and a parking attendant to help parents.

The Head personally greets the children each morning, shaking their hand, making eye contact, smiling and wishing them good morning by name. Our popular after school care facility, Stay and Play, runs until 5.30pm with creative and stimulating activities for children of all ages.

Our Values
Grimsdell is a Christian foundation, based upon the principles of religious freedom. Our pupils represent a wide range of faiths and cultures, and our assemblies place a strong emphasis on moral and mutual respect.

With our support your child will be ready to learn, develop their personality and become secure and confident in everything they do. Your child’s class teacher and teaching assistant will get to know them well, we communicate often with you, and together with the specialist staff, Deputy Head and Head, your child will be surrounded by people who will always take care of their wellbeing.

School Houses
Each child at Grimsdell is in one of our three Houses, making friends across the age groups and joining in academic and cross-curriculum events and competitions. House activities allow our young pupils to experience team spirit, a sense of belonging and healthy competition; preparing them for the more sophisticated and far reaching House experience that they will encounter at Belmont, and then at Mill Hill.

GRIMSDELL IS WONDERFULLY WELCOMING:
OUR SCHOOL IS A FRIENDLY PLACE WHERE EVERYONE FEELS PART OF OUR FAMILY. WE WILL MAKE SURE YOUR CHILD FEELS SAFE AND NURTURED HERE.
Cook, Dance and Sing: What Do You Love to Do?

We offer a fantastic range of activities; our pupils are lively and curious so we love to feed their enthusiasm. We design our activities to spark your child’s creativity. We inspire them to try something new and learn about leadership and teamwork. The talents and interests we cultivate now will nourish them in the future.

Immersive Approach
Every term we devote a week of learning to a specific area, ensuring that all learning links in with this aspect of the curriculum, and promotes the subject with a inspiring and immersive approach. The subject matter is relevant and fresh with examples being Pet Week, Language Week and Board Games Week, along with some old favourites such as National Book Week, National Science Week and Environment Week.

School Trips
Trips enhance the curriculum by bringing learning to life in a wider context. These experiences allow children to bond, and develop independence and a sense of community within the year group, with their peers and teachers. Parent volunteers attend all our trips, and every parent will have the opportunity to accompany a school trip during their child’s time at Grimsdell.

Music and Drama

Music
We are a 'Sing Up' platinum school and we love to sing! We sing in class, between activities, when we are lining up and when we leave assembly. Singing helps our children become more confident and creative, it allows children to focus quickly, naturally and is also great fun.

We’re hugely proud of our choir, they have performed at the Southbank and have been part of the National Music For Youth finals several times.

Your child will read music and develop skills in pitch, rhythm, performance, music appreciation and composition. They will learn a tuned percussion instrument, the recorder and the keyboard, and can join violin, cello and keyboard clubs.

Drama
Our children love Drama! We incorporate it into the curriculum almost daily. We hold a whole school Nativity at Christmas in our own chapel, and each year group puts on its own production, including dance and music, which they perform at the Mill Hill School Theatre, on a wonderful stage with lights, music, costumes and scenery. Every child has a speaking part and is given their time to shine.

'The school is great because we do lots of fun things.'
Yr 1 Pupil
A spring in our step

PHYSICAL EDUCATION
IN PE YOUR CHILD WILL LEARN VITAL SKILLS FOR THEIR DEVELOPMENT.

Our specialist PE teacher will teach your child balance, co-ordination, gross motor skills, ball skills and team work, and in a variety of sports, including gymnastics, games, large apparatus, tennis, swimming, athletics and dance.

Students from Mill Hill School run an annual sports festival for us, and our summer Sports Day is a highlight of the year. Everyone takes part, there is healthy competition, teachers’ and parents’ races and a good old-fashioned tug o’ war.

Team Sports
In Year 2 the children start to play team sports at Belmont, using its coaches and facilities. The children play netball, hockey, rounders and cricket for the girls, and touch rugby, football and cricket for the boys. This is a wonderful way to build their playing skills so they are ready for Year 3 sports at Belmont.

'Pupils’ collaborative skills are extremely well-developed.'

ISI Inspection 2020
The ties between Grimsdell and Belmont are extremely close. We co-ordinate our curricula and learning approaches, and from Year 1 your child will take part in Forest School, camps and workshops at Belmont. Year 2’s weekly sports and other activities mean that Belmont soon feels almost as familiar as Grimsdell. Once at Belmont they will be among friends; almost all Grimsdell children go on to Belmont and make new friends among the new intake. Belmont’s Year 3 teachers and Head of Lower School will already know your child, and we know they will be settled and happy in their new school.

No Exam, No Stress
The transition to Belmont from Grimsdell is simple and stress-free, with no need to take Belmont’s external 7+ examination.
Our strong partnership with Mill Hill School means that Grimsdell pupils regularly work with their older counterparts. The exceptionally confident, kind, capable, well-rounded individuals who leave Mill Hill are a constant inspiration to our pupils.

Belmont pupils transfer directly to Mill Hill School in year 9. Whilst there is no need to sit an examination, pupils are expected to meet our expectations on behaviour and make good academic progress. Achieving this will give you the reassurance that once your child has joined our foundation of schools, we will give them an exceptional education in our school community until they are 18.

Beyond Mill Hill School
Mill Hill pupils go on to study and work in a limitless range of fields, from medicine, engineering, literature and the arts to digital media, acting and everything in between. Our pupils grow into fine young adults, and strong individuals who are equipped to take their own path within school and beyond.
Arranging a visit
It’s the best way to find out if we are right for your child, and to answer all the questions you may have.

Children usually join Grimsdell in Nursery (age 3+) and Reception (age 4+).
