3. Care and good discipline

3.1 Head's authority: The Parents authorise the Director to take and/or authorise in good faith all decisions which the Director considers on proper grounds will safeguard and promote the Pupil's welfare while s/he is in the care of the Summer School.

3.2 Disclosures: The Parents must, as soon as possible but in any event prior to the commencement of the Course, disclose to the Director in confidence:

3.2.1 any known medical condition, health problem or allergy affecting the Pupil;

3.2.2 any disability, special educational need or any behavioural, emotional difficulty and/or social difficulty on the part of the Pupil;

3.2.3 any concerns about the Pupil's safety or welfare.

3.3 Physical Contact: Parents give their consent to such physical contact as appropriate and proper for teaching and instructions and for providing comfort to the Pupil if in distress or to maintain safety and good order, or in connection with the Pupil's health and welfare. Such contact and comfort shall be in line with the Foundation's Policy to Safeguard and Promote the Welfare of Children who are pupils at the Foundation (which can be found on the Foundation website). Parents also consent to their child participating in contact and non-contact sports and other activities as part of the normal Summer School and extra-curricular programme and acknowledge that while the Summer School will provide appropriate supervision the risk of injury cannot be eliminated.

3.4 Emergency medical treatment: The Parents authorise the Director to consent on their behalf to the Pupil receiving emergency medical treatment including blood transfusions, general anaesthetic and operations performed by the National Health Service or at a private hospital and where certified by an appropriately qualified person as necessary for the Pupil's welfare and if the Parents cannot be contacted in time. The Parents must comply with the Summer School medical officer's recommendations which may include a reasonable decision to release the Pupil home when s/he is unwell.

3.5 The Pupil's Health: The Director may at any time require a medical opinion or certificate as to the Pupil's general health where the Director considers that necessary as a matter of professional judgement in the interests of the Pupil and/or the Summer School community. The Pupil if of sufficient age and maturity is entitled to insist on confidentiality which can nonetheless be overridden in the Pupil's own interests or where necessary for the protection of other members of the Summer School community.

3.6 Medical Information: Throughout a Pupil's time at the Summer School, the Director or any Summer School medical officer shall have the right to disclose confidential information about the Pupil if considered to be in the Pupil's own interests or necessary for the protection of other members of the Summer School community. Such information will be given and received on a confidential, "need-to-know" basis.

3.7 Summer School Rules: Each Pupil is supplied with a copy of the Summer School Rules giving information about the ethos and rules at the Summer School. The purpose of the Summer School Rules is to help every Pupil to know what is expected and to encourage courtesy and consideration for others. Each Pupil and Parent should read the Summer School Rules.

3.8 Summer School Discipline: The Summer School's disciplinary policy which is current at the time applies to all Pupils when they are in the care of the Summer School whether on or off the Summer School premises, or otherwise representing or associated with the Summer School.

3.9 Searching and testing: If Summer School staff suspect that the Pupil has broken Summer School rules or has been involved in any illegal activity including activity involving drugs or substances, the Pupil may be questioned and his/her accommodation or belongings may be searched in appropriate circumstances or asked to provide a biological sample for testing for the use of drugs or substances. Such questioning, searching and testing shall be carried out in line with the Foundation's policies. All reasonable care will be taken to protect the Pupil's rights and freedoms and to ensure that the Parent is informed as soon as reasonably practicable after it becomes clear that the Pupil may face formal disciplinary action.

3.10 Movement of Pupils on premises: The Parents give their consent for the Pupil to be allowed to move freely between buildings on the Summer School premises as required, without always being accompanied by Summer School staff.

3.11 Supervision on excursions: The Parents give their consent for Pupils aged 15-17 to be unsupervised by Summer School staff during allotted free time on course trips.

3.12 Expulsion: The Pupil may be required to leave the Summer School if it is proved by the Director on the balance of probabilities that:

3.12.1 the Pupil has committed a very grave breach of discipline or a serious criminal offence; or

3.12.2 by reason of the Pupil's conduct, behaviour or progress, the Pupil is unwilling or unable to benefit sufficiently from the educational opportunities and/or the community life offered by the Summer School; or

3.12.3 the Parents have treated the Summer School or members of its staff unreasonably

The Director shall act with procedural fairness in all such cases. If the Pupil is expelled there will be no refund of the Booking Fees or Course Fees.

In the event that the Parent/s dispute the decision as to expulsion made by the Director, the Parent/s may contact the Head by email at head@millhillinternational.org.uk who will review the decision but whose judgment shall be final.
