## 5. Assessment Procedures for entry in September 2020

### Criteria for Entry to Year 3 (7+) and Year 7 (11+)

#### **Personal, Social and Academic Expectations**

We are looking for enthusiastic, well-motivated children who are keen to learn from the rich academic and non-academic curriculum that we offer at Belmont. Pupils are expected to transfer to Mill Hill School at 13+.

At the 7+ and 11+ points of entry we expect the majority of pupils to be exceeding the expected national average at either Key Stage 1 or 2. Children are also expected to take an interest in the range of opportunities they are given and to integrate well into our diverse community. We have high standards of politeness and manners and children are expected to show consideration towards others.

To achieve their full potential, we expect children to be able to work on tasks set within class and for prep in a positive frame of mind and to work independently when required to do so.

#### **Siblings and Children of Old Belmontians and Old Millhillians**

All children are expected to meet our academic, personal and social criteria. However, priority will be given over children of equal ability, to children with strong links to the Mill Hill Foundation.

### The 7+ Entrance Test Procedure is in three 45 minute sessions:

The entrance procedure at 7+ consists of three 45 minute sessions involving written tasks in English, Maths and NVR, there will also be teacher led activities including reading and an interview. In the English section of the test, they are required to read aloud and write a short story.

A reference is sought from the child's current school. A supportive reference is a very important part of the selection process.

### The 11+ Entrance Test Procedure is in three 75 minute sessions:

#### **1. Entrance Examination (Computer Based) which tests the following:**

- Literacy
- Numeracy - A calculator is not permitted for the test
- Verbal Reasoning
- Non-Verbal Reasoning

#### **2. Interview**

Candidates will be interviewed in small groups by senior teachers and have two interview sessions of 20 minutes duration. There is also a 15 minute writing test, where pupils respond to a given stimulus. We will explore interests in and outside school, general knowledge and current affairs. We will also be looking at how children communicate and conduct themselves.

#### **3. Problem Solving & Teamwork**

We are looking for children that are receptive to learning and have flexible ways of working. This session involves completing a group task that requires collaboration and negotiation to problem solve. We will also request a supporting reference from the candidate's current school.

## Entrance to Belmont in other Year Groups

Our main points of entry are 7+ (approximately 10-12 pupils) and 11+ (approximately 35-45 pupils). However, from time to time places may become available at other entry points. In these instances applicants will be tested and interviewed according to their age.

The entrance procedure at 8+ 9+ and 10+ consists of a short informal interview and an English/Maths/NVR test. The interview involves finding out about their areas of academic interest as well as their hobbies and pastimes

## Specific Learning Difficulties

If 11+ candidates have an educational psychologist report that states their need for extra time due to a specific learning difficulty, they are on their current school's special needs register and they are in receipt of extra time in their current setting, children will be given additional time in their computer based entrance exam. Requests for extra time must be made at the time of registration. For other year groups we will also provide additional time for candidates with a supporting educational psychologist's report.

\* Please note that no specimen or past papers are issued.

We aim to make our assessments appropriate for boys and girls from all educational backgrounds. Provided that their reading is well-founded, there should never be a need for coaching. For our 11+ computer test we do not provide practice materials but we provide a familiarisation website for parents and children. This test takes place on a PC and requires the use of a mouse and keyboard.

**Please refer to [intuproject.org/CEMSelect/CSFamiliarisation.html](http://intuproject.org/CEMSelect/CSFamiliarisation.html)**

## 6. Information for Parents on Scholarships

### Scholarships (11+)

The award of a Scholarship is made solely on the basis of academic performance in tests and an interview taken at the age of 11. Awards are for the duration of the candidate's time at Belmont and for the 5 years at Mill Hill School, provided that progress and conduct remain satisfactory.

### Academic Scholarships

Academic Scholarships, worth normally up to 10% of the tuition fees, will be awarded on academic merit shown in the entrance examinations and any subsequent interviews. There is no financial means test in connection with the award of Scholarships, although awards may be increased by the addition of a means tested bursary. Scholarships are tenable for 2 years at Belmont and continue for 5 years at Mill Hill, our senior school. All pupils registered for Year 7 entry (internal and external candidates) will automatically be considered eligible for an Academic Scholarship. The pupils gaining the top marks (numbers vary from year to year) will be asked back to attend an additional interview.

### Music Scholarships

Music Scholarships are available at Belmont School. For more detailed information on deciding whether to make an application, please consult Music Scholarships at Belmont. Testing is not based solely on current graded achievement; candidates are auditioned individually and ascertaining potential is an important element of the audition process. Scholarships would normally result in an award up to a maximum of 10% of the fee and/or musical tuition being paid for by the school in a specified number of disciplines. Applications should be made on the appropriate form. For further details and an application form, please contact the Head of Admissions.

### Sports Scholarships

Sports Scholarships are available at Belmont from Year 7. For more detailed information on deciding whether to make an application, please look at "Sports Scholarships at Belmont". Awards are not made solely to those with a current sporting ability but also to those with significant athletic potential and high standard of performance in at least one sport. Candidates are assessed individually and as a group involving a variety of measures.

## 6. Information for Parents on Bursaries

### Bursaries (Years 7, 8)

The award of a bursary by the Mill Hill School Foundation is subject to the financial resources available at the time. Applicants will be asked to demonstrate financial need by completing a Statement of Financial Circumstances and awards can be up to 100% of the fee.

The final decision will be made by The Governors of the Finance and General Purposes Committee, after recommendation by the Bursary Committee, of which the Head is a member.

Consideration of academic standard, general conduct and overall contribution (either current or potential) to the School is reviewed by the Bursary Committee. All the information provided will be treated in the strictest confidence.

All bursaries are subject to annual review. Any award made at Belmont will, provided the applicant continue to meet the criteria, continue through Mill Hill School. Bursaries are considered only when a child is in Years 7 and 8.
