Scholarships

Scholarships are awarded in recognition of outstanding achievement or promise in a particular sphere. Whilst there might be financial assistance associated with some Scholarship awards, the primary benefit for our scholars is the additional support, extension, and challenge that the Scholarship programme provides.

- Candidates for Scholarships must be over 12 years old and under 14 years old on 1st June in the year which they are applying to enter the Fourth Form.
- The School will seek a written reference on each candidate from the Head of his or her present school.
- All Scholarships are reviewed annually to ensure that existing Scholars are still considered eligible.

Those candidates whose performance in the academic examinations is sufficiently strong, as assessed by the School, will be invited to proceed to interview shortly after the examinations. The subject interviews will be approximately 15 minutes long. Candidates will be interviewed by Heads of Department at Mill Hill and by the Head if they have been successful in multiple subjects. Candidates may be given some material/questions in some subjects to prepare for the interview in advance.

Candidates for Art are expected to bring a portfolio evidencing current artwork to interview, with the Head of Art. They will also be asked to complete a practical open-brief task, under timed conditions on the assessment day.

Candidates for Design Technology will engage with a practical activity on the assessment day, which normally consists of a problem-solving challenge. The assessment will also include a 5-minute presentation, in which pupils are asked to talk about their research folder on a chosen designer and/or topic.

A Drama Scholarship is available to a pupil who can demonstrate outstanding acting ability. Evidence for this will be threefold: The pupil should have an outstanding record of full participation in past school productions, supported by a reference from that school, outlining exactly the pupil should be considered for a Scholarship. The candidate will take part in an audition session at Mill Hill in January. He/she should prepare two short audition speeches, one from Shakespeare and one from a modern play. They will also take part in a drama workshop with other candidates on the day of the audition. The successful candidate will be expected to involve him/ herself in public performances as requested at the school during their time at the school.

Candidates for Music may enter for either an Academic Scholarship or a Musical Performance Scholarship or for both. Candidates for a Music Scholarship will normally be expected to have reached at least the standard (though not necessarily to have sat the examination) of Grade 6 in piano or Grade 5 in an orchestral instrument. Two contrasting pieces will be expected and there will also be aural and sightreading tests. Further information on Music Scholarships may be obtained from the Director of Musical Performance.

A number of Sport Scholarships may be made annually. Candidates will be required to provide evidence of their sporting ability by the presentation of a sporting CV and a letter of recommendation from their present school and/or a letter of recommendation from a coach or manager of any out of school team represented. The letter of recommendation should detail significant skills and achievement of the candidates in their chosen sport/s. Candidates will also be expected to attend a Sports Scholarship Trial in January 2024, where fitness and agility levels will be assessed in their chosen sports. It is expected that candidates for a Sport Scholarship will be:

- An outstanding performer in one or more sporting disciplines at his/her current school or at club/district/county or national level.
- Be able to demonstrate a strong interest in and commitment to their selected sport/s.
- Be able to offer expertise in areas that reflect the sporting provision at Mill Hill School.

How to Apply for a Scholarship

Please complete and return the application form found on our **website**.

Examinations and other assessments will take place in November, December and January preceding the year of entry to the Fourth Form. (Dates can be found on our website).

For more information, please contact the Admissions Office, telephone 020 8906 7923 or email angela@millhill.org.uk

Bursaries

Means-tested bursaries are available to new entrants to the School. Such awards are intended to extend the benefits of a Mill Hill education to pupils whose families would not otherwise be able to afford the School's fees. In addition, the School makes provision for the award of hardship bursaries to assist families who experience sudden and unexpected hardship. Bursaries are funded from the School's fee income, supplemented by contributions to the Mill Hill School Foundation Appeal. Bursary awards are made by the Court of Governors upon the recommendation of the Foundation Bursary Committee. Candidates will be expected to demonstrate sound academic potential, strong extra-curricular interests and strong personal qualities.

Families wishing to apply for financial support are encouraged to request a Bursary Application Form and a copy of the School's Bursary Policy, both of which are available from our Bursary. Please email bursaries@mhsfoundation.org.uk for more details.

External Trust Funds

There are a number of Scholarships funded by external Trust Funds; the Head nominates candidates for these on the basis of the School's normal interviews and Entrance Examinations and any other information, as available and appropriate. McClure/Life Governors' Scholarship is given at the Head's discretion, no special conditions. The Ousey Scholarship is given to a candidate who is a lineal descendant of a former pupil of the School.

Scholarships are awarded in recognition of outstanding achievement or promise in a particular sphere. Whilst there might be financial assistance associated with some Scholarship awards, the primary benefit for our scholars is the additional support, extension, and challenge that the Scholarship programme provides.

Requirements for Sixth Form Applicants

We request a confidential reference from the candidate's present school which we use together with interviews and predicted GCSE results to decide whether we can offer a place. Offers at Mill Hill are conditional on achieving a minimum of 2 grade 7 and 3 grade 6 passes plus minimum grade 5 in English and Mathematics at GCSE (or international equivalent). In addition, each Sixth Form subject has its own specific GCSE grade requirements; these are set out in the Sixth Form Curriculum Guide which can be accessed [here](#).

Requirements for Academic Awards

Candidates for an Academic Scholarship are required to sit Scholarship Examinations in their choice of up to two of the subjects they intend to take at A Level at Mill Hill. Those who have performed sufficiently strongly in the Scholarship Examinations are then asked for interview by the respective department(s).

The syllabus for the Scholarship Examinations will not be more than the proportion of the GCSE syllabus which could reasonably be expected to have been covered by the time of the examinations.

Candidates for Art are expected to bring a portfolio evidencing current artwork to interview, with the Head of Art. They will also be asked to complete a practical open-brief task, under timed conditions at the interview.

Candidates for Academic Music will sit a one-hour exam, and it is expected that they will be taking Music as an A-Level subject. Pupils will need to have a Grade 6 in GCSE Music plus a Grade 5 performance standard (you do not have to have taken the exam) in at least one instrument. A pass at ABRSM Grade 5 Theory (or above, or an equivalent qualification) is required.

Candidates for Musical Performance will be required to have Grade 8 proficiency on one instrument or voice and Grade 5 on a second instrument or voice. Only if a pupil has considerable proficiency in an instrument/voice and skills in composition, is this requirement waived. As part of the assessment, pupils will be expected to perform two contrasting pieces and there will also be aural and sight-reading tests. Further information on Musical Performance Scholarships may be obtained from the Director of Musical Performance.

Candidates for Drama will have a practical assessment alongside an interview with the Head of Academic Drama and the Director of Theatrical Performance.

Sport candidates will be asked to submit a Sports CV, 2-minute highlight video, references, and participate in an assessment day. The assessment day will consist of four components: athletic performance tests, a practical assessment of their chosen sport/s, and a sports psychology and leadership assessment. Applications will only be considered from pupils who have shown absolute commitment to their School's sports programme.

External Trust Funds

There are a number of Scholarships funded by external Trust Funds; the Head nominates candidates for these on the basis of the School's normal interviews and Entrance Examinations and any other information, as available and appropriate.

The McClure Memorial Scholarship is awarded to an individual of outstanding ability who in the Head's opinion will make an outstanding contribution to the life of the School. The award is funded in part by Old Millhillians who are Life Guardians and/or members of the Old Millhillians Club.

The Ousey Scholarship is given to a candidate who is a lineal descendant of a former pupil of the School.

How to Apply for a Scholarship

- Mill Hill School was founded in 1807 by non-conformist educational pioneers
- The Mill Hill Education Group comprises our Pre-Prep, Grimsdell; our Prep, Belmont, Mill Hill International; Cobham Hall School, in Kent and our most recent additions Keble Prep and Lyonsdown School in north London. Our Mill Hill based Schools are located in over 150 acres of parkland just half an hour from central London.
- All Schools are united under the Mill Hill banner, with a smooth transition between Schools and a sense of being one family
- We share the goal of ‘Instilling Values, Inspiring Minds’ which is reflected in our strong sense of community and our forward-thinking approach to education, in which the academic and the co-curricular provide a challenging and stimulating environment in which to learn the skills which will play a key part in future success and happiness
- We seek to develop these skills through a wide range of co-curricular activities such as debating, robotics and the Combined Cadet Force and an emphasis on sports, music and drama
- Mill Hill School, currently comprises 888 pupils, with around 88% Day and 12% Boarding (Full and Weekly)
- Millhillians go on to pursue a wide range of courses at university and are encouraged to find their intellectual and/or vocational passion, with many achieving places in highly competitive courses and institutions
- Our Sixth Form Centre provides a stepping-stone to the next stage in the educational journey, with recreational and study space appropriate to young adults, incorporating Careers and University Application support
- Our Day House system provides a home from home for every Day pupil, with eight Houses of 90-100 girls and boys each benefitting from the support of both a Housemaster/mistress and a Tutor who takes the lead in pastoral responsibility for around 15 pupils in their care. Each Day House comprises a spacious games room, a quiet study room, locker storage space and the Housemaster’s/mistress’s office
- Mill Hill School and Mill Hill International integrate their 204 boarders across four Boarding Houses which offer the option of girls-only or mixed boarding, conveniently located just a short walk from the School buildings. With over 30 nationalities, including a significant number of local weekly boarders, boarding offers a truly global insight to the pupils in this part of our community
- Mill Hill School offers a happy and friendly co-educational environment; pupils are genuinely enthusiastic about being at School and thrive in an atmosphere which is both supportive and, in a positive way, challenging. The boy-to-girl ratio in Mill Hill School is around 60% boys and 40% girls
- Millhillians are great believers in ‘giving something back’, as reflected in our strong links with the community as exemplified by our partnership with Copthall School, as well as our overseas partnerships in Tamil Nadu and Zambia and regular charitable fundraising activities
- Our active and extensive alumni association, the Old Millhillians, offers our former pupils life-long membership of a worldwide club which facilitates social and professional networking and fosters a sense of belonging long after pupils leave school

GCSE

The structure of the Remove and Fifth Form (Yr 10-11) curriculum is as follows:

Core examined subjects	English, Mathematics, Science (Biology, Chemistry and Physics, taught as separate subjects but certified either as 2 or 3 GCSEs) and either a Core Modern Language (French, German or Spanish) or English as an Additional Language, for those for whom that is appropriate.
Other, non-examined, Education core courses	Personal, Social and Physical Education.
Option subjects, from which pupils select three	Art, Classical Civilisation, Computer Science, Design Technology, Drama, Geography, German, History, Information and Communication Technology, Latin, Music, Physical Education (as a GCSE course), Religious Studies and Spanish
Games	All pupils have a session of Games each week, in addition to Physical Education.

A Level

The structure of the Sixth Form curriculum is as follows:

At Mill Hill we have reflected carefully on how to accommodate the changes from A Level reform to offer our pupils the best opportunity for a successful and enriching Sixth Form experience. Given the higher demands of reformed A Levels, the majority of pupils will now choose three A Level subjects plus enrichment, but pupils who wish to take Further Mathematics will complete four A Levels in total.

A Level subjects available:

Art	German
Biology	Politics
Business	History
Chemistry	Latin
Classical Civilisation	Mathematics
Computer Science	Further Mathematics
Design Technology	Music
Digital Media	Physical Education
Drama & Theatre Studies	Physics
Economics	Psychology
English Literature	Religious Studies
French	Spanish
Geography	

The School believes strongly that having a learning difficulty/disability should not be a barrier to achievement. The Learning Support Department offers support for those pupils who have a learning difficulty and/or disability, including those with an Education Health and Care Plan. The Department aims to offer such pupils the appropriate support tailored to their individual needs to ensure they achieve their full potential. The Learning Support Department works in close partnership with other teachers and pupils' parents to ensure that pupils who have a learning difficulty are supported appropriately. The type of support offered to a pupil is tailored to their individual needs, and may include in-class support, individual and group sessions focussing on literacy, maths, study and organisational skills. Access arrangements for public examinations are arranged as appropriate.

Currently the department comprises the Head of Learning Support, two full-time teachers, three part-time teachers and three Learning Support assistants.

Teaching Curriculum

At all levels the Department's key aim is to enhance the learning of those pupils on the Learning Support Register. The Department's work comprises four principal strands: to teach individual and small-group support lessons to follow and reinforce aspects of the main curriculum; to intervene in regular academic lessons to support particular pupils or groups of pupils; to provide information and awareness on pupils with learning support needs by liaising with teachers and pastoral staff; to ensure all pupils are given the appropriate access arrangements for their examinations.

Accommodation and Resources

The Learning Support Department is located in the main school building in five well-resourced teaching rooms including the Head of Learning Support's room which is used both as a teaching room and meeting room as needed. For more information please contact the Head of Learning Support, Miss Lisa Silverman, lns@millhill.org.uk, direct Line 020 8906 7941.

The definition of a successful Millhillian goes far deeper than a stellar set of examination results. We aim to broaden pupils' minds with our extensive and challenging range of Clubs and Activities within our co-curricular programme.
