

Mill Hill School

Fourth Form Awards, Scholarships & Bursaries

A wide range of Awards are offered to pupils entering into the Fourth Form (Year 9). These Awards broadly fall into two categories – Scholarships and Bursaries.

4th Form Awards General Information

Scholarships

Scholarships attract a maximum of 10% fee remission of a day or boarding place. 10% fee remission is the maximum total amount that any candidate can hold as a scholarship even if more than one scholarship is held. If a candidate holding a Fourth Form Award of 10% applies later in their career for a Sixth Form Scholarship, they will, if successful in their application for a Sixth Form award, attract the status of a Sixth Form Scholar but the financial value of their scholarship will not increase.

Scholarships are available to pupils showing exceptional talent in a variety of areas both in the classroom and on the sports field. In addition to major awards, there are a number of minor Awards or Exhibitions also on offer. The Headmaster, Deputy Headmaster (External) or the Assistant Registrar are happy to advise parents and feeder schools about any of these awards.

- Candidates for Scholarships must be over 12 years old and under 14 years old on 1st June in the year which they are applying to enter the Fourth Form
- The School will seek a written reference on each candidate from the Head of his or her present school
- All Awards are reviewed annually and are subject to the recipient performing at a satisfactory standard during the course of the preceding year
- The value of an Award will attract the same annual percentage rise as the School Fees

The Head of an applicant's prep school will be asked to make the recommendation for consideration for an academic award and the format of the prep school Head's reference will be modified to allow more space to identify particular academic strengths, especially where these are in subjects not in the entrance examinations.

Those candidates whose performance in the entrance examinations is sufficiently strong, as assessed by the School, will be invited to proceed to a series of scholarship interviews, held at the end of the second week after the entrance examinations. Those going forward for scholarship interview may include those recommended by their prep school Head and also any others who have met the required standard of performance in the entrance examinations.

Candidates will be interviewed by Heads of Department at Mill Hill in 1, 2 or 4 of the subjects offered in the entrance examinations (depending on their performance), and by the Headmaster.

The subject interviews will be 20 minutes long, with candidates given some material/questions to prepare for 20 minutes before each interview. The interviews will have agreed criteria for evaluation.

The range of academic awards available will be:

Academic Scholarship

for strong performance in all/most scholarship interviews

For a Music Exhibition a minimum of one grade lower would be expected. Candidates may also offer a second instrument at a lower level, and/or voice, and/or composition. Two contrasting pieces will be expected and there will also be aural and sightreading tests. Musical ability may also be taken into account in making other Academic Awards. Drama Awards

A Drama Award is available to a student who is able to demonstrate outstanding acting ability. Evidence for this will be threefold:

The student should have an outstanding record of full participation in past school productions, supported by a reference from that school, outlining exactly what the student has achieved in the past and why the student should be considered for such an Award. The candidate will take part in an audition session at Mill Hill in January. He/she should prepare two short audition

speeches, one from Shakespeare and one from a modern play. These should be fully rehearsed before the audition, word perfect and show outstanding ability in both voice and movement work.

The student will take part in a drama workshop with other candidates on the day of the audition, where he/she will demonstrate a confident awareness of how to work positively and creatively with others in such an environment. Candidates should only attempt this audition if they have a proven interest in drama and something very special to offer the school. The successful candidate will be expected to involve him/herself in public performances as requested at the school during their time at the school.

Bursaries

Means-tested bursaries are available to new entrants to the School. Such awards are intended to extend the benefits of a Mill Hill education to pupils whose families would not otherwise be able to afford the School's fees. In addition, the School makes provision for the award of hardship bursaries to assist families who experience sudden and unexpected hardship. Bursaries are funded from the School's fee income, supplemented by contributions to the Mill Hill School Foundation Appeal. Bursary awards are made by the Court of Governors upon the recommendation of the Foundation Bursary Committee. Candidates will be expected to demonstrate sound academic potential, strong extra-curricular interests and strong personal qualities. Families wishing to apply for financial support are encouraged to request a Bursary Application Form and a copy of the School's Bursary Policy, both of which are available from Mrs Tracy Williams at Walker House or twilliams@mhsfoundation.org.uk.

External Trust Funds

There are a number of Awards funded by external Trust Funds; the Headmaster nominates candidates for these on the basis of the School's normal interviews and Entrance Examinations and any other information, as available and appropriate.

McClure/Life Governors' Scholarship at the Headmaster's discretion; no special conditions.

Ousey Scholarship: a candidate must be a lineal descendant of a former pupil of the School.
